2. For the past 5 years, [REDACTED] has required outside contractual assistance to maintain the interiors and exteriors of [REDACTED] quarters and other structures. Scheduled personnel reassignments this summer require that assistance once again be obtained for these services. It is therefore the intention [REDACTED] to solicit bids and award a contract for this type of work. The same square foot unit price contractual conditions as previously approved by the Office of Logistics will be the basis for payment for the actual work performed. (C)
